

NEW Bobcat™ 260 & 225 with Remote Start Stop

Bobcat™ 225 and 260 welder/generators, now with Remote Start/Stop. Take control and eliminate noise. Easily turn your Bobcat machine on and off wirelessly, so it only runs when you need it. Get more done with each tank of fuel, extend time between maintenance and work in comfort without the hassle of walking back to your machine.

See below for the Bobcat stock number transition information:
